Experience

Freelance Designer David Paul Design

New York, NY
October 2006–Present

Design responsive websites, mobile websites, infographics, user interfaces, landing pages, social media ads, branding campaigns, marketing collateral, print publications. Completed projects for New York Life Insurance, Nasdaq, AllianceBernstein (AB Global), Crane Paper, Natural Resources Defense Council, Newmark Knight Frank, Cline Davis Mann, The New York Times, Hearst Corporation.

Designer Tarisio

New York, NY
January 2007–Present

Designed intricate PHP auction website, managing programmer. Created digital materials: mobile app, mobile website, responsive website, social media ads. Budgeted, spec'd, and designed branding / marketing materials in various media and formats, including exhibition signage / materials, catalogs, ads, mass mail items, posters, and other collateral. Perform pre-press. Research and select print vendors, solicit contracts.

Senior Designer Macmillan/McGraw-Hill

New York, NY
June 2000–October 2006

Designed and executed concepts for book prototypes, audio CD packaging, web banners, marketing materials, and other products. Conceived and executed logos, type treatments, infographics, and digital image manipulation. Directed outside studios and in-house production artists in layout and design. Contracted and reviewed illustrations, performed photo selects and on-site color press checks, supervised photo shoots. Managed and trained freelancers and new hires.
